

OUR GROANS—HIS GLORY

Romans 8:15-27

“God is great! God is good...!” Could we ever have imagined life getting so tough that we would ever question that?

We absolutely must face and Biblically answer the logic of the world here...

- “If God is really able... and does not do something about evil and suffering, then He is not good or He does not care.”
- “If God is good and cares, but does not do something, He must not be able.”

TWO REALITIES WE MUST EXAMINE:

1– OUR GROANS...

- Creation groans—v.22
- Christians groan—v. 23
- Spirit groans—v.26

2– HIS GLORY

- The glory to be revealed—v.18
- The glorious freedom of the family—v.21
- The glory which is God’s highest aim—v.30

The 8-2-8 Promise is a YES...GOD! YES!
